This is not a story for children. You'll feel chills!

"So he carried me away in the spirit into the wilderness: and I saw a woman sit upon a scarlet coloured beast, full of names of blasphemy, having seven heads and ten horns." (KJV) - Revelations 17:3

"And he exerciseth all the power of the first beast before him, and causeth the earth and them which dwell therein to worship the first beast, whose deadly wound was healed." (KJV) - Revelations 13:12

## **I. Introduction: A few lines from history**

### **Europe, Decade of 1930.**

The Nazifacismo grows in totalitarian power after the fall of the Stock Exchange in New York.

Believing in the superiority of the Axis countries, relations between the Argentine General Juan Domingo Perón narrow.

Perón's dream is to lead with the help of Furher, successive coups in neighboring countries.

### **Argentina, 1940's.**

In 1943, the Group takes the power of United Officers (GOU), consisting of nationalist officers led by General Peron

German agents of the Division of Foreign Intelligence, the international arm of the Nazi SS, initiate activities with complete freedom and Peronist government support.

With the help of these Nazi agents the Argentine military organized a coup in Bolivia.

In 1945, yielding to external pressures and unfavorable scenario with the Axis, Argentina declares war on Germany, "abandoning" neutrality.

It is the month of March, three months before the alleged suicide of Hitler.

Germany, in fact, would benefit from this "declaration of war".

The theater was armed.

**Argentina, 1950s.**

The Pink House (Casa Rosada) and the Catholic Church continues to give shelter to several war criminals. The safety net of the Nazi officialdom is controlled by the Vatican and is developed with infiltrations in Switzerland and the International Red Cross.

Argentina's government can cover up the flight of more than 300 followers of Hitler and most of its European employees.

Among the "orphans" of the Third Reich that the wings Catholic cuddled with extreme care are:

- . Joseph Mengele, the "Angel of Death" of Auschwitz;
- . Klaus Barbie, the "Butcher of Lyon", head of the Gestapo;
- . Ante Pavelic, the leader of the Catholic-fascist government of Ustacha responsible for bloodshed in Croatia Catholic Urals;
- . Erich Priebke, an SS officer who commanded the slaughter de335 Italian civilians in 1944;
- . Dino Sakie, commander of the Jasenovac concentration camp in Croatia, where 600,000 prisoners were brutally massacred;
- . Schwamberber Joseph, who murdered 15,000 Jews in Poland;
- . Gerhard Bohne, leader of the euthanasia program Furher;
- . Adolf Eichmann, the official responsible for implementing the "final solution" to exterminate that sent millions of Jews to extermination camps.

The Army Perón receive training directly from German officers, wearing helmets and uniforms exactly equal to the Third Reich.

General Perón and His Army, teached by nazis official staff

The Vatican Nazi officialdom receives the payments in gold, silver, jewels, works of art and a variety of treasures that are priceless treasure looted from the Jews in Europe.

Argentina has a balance with the Vatican, and this debt will be paid someday.

**Vatican / Argentina, 1970's.**

The group that compose the Gang inside Vatican, known as "fascists", look with kindness and affection for the military dictatorships in Latin America.

The military terror is raging.

Archbishop Pio Laghi is elected to the papal nuncio in Argentina. In 1976 gives a speech to the Argentine

Army, citing just war theory of the Catholic Church as a sanction to be developed military campaign of terror against dissidents.

The priests accompanying the prisoners tortured in his last days, giving them a final blessing of extreme unction before they were thrown helicopters in full flight, handcuffed by the military, in the South Atlantic

Among the leaders who supported the dictatorship in Argentina is the leader of the Jesuit Order, Jorge Mario Bergoglio, one of the darlings of the Vatican and the Pope.

Bergoglio orders the arrest and torture of two of his fellow Jesuits who refused to obey his command, Orlando Yorio and Francisco Jalics. In addition, Bergoglio even helped in the kidnapping of sons and daughters of subversive of the regime, among them Ana de la Cuadra and her baby, taken by the military, missing and never found. The gravity of the matter is that Anna was pregnant 5 months, one case of which refers to applications and Medieval and also Spanish Inquisition.

### **Argentina, Decade 1980.**

While sex scandals exploding around the world, as in the case of Father Dino Cinel the parish of New Orleans, where it was discovered 160 hours of home video cassette format, showing Cinel in sex acts with same-sex partners, including the least seven minors, Argentina, Archbishop of the Holy See Egardo Stoni, resigns after being accused of abusing at least 47 seminarians.

None of them is arrested and given the coverup of Pope John Paul II, one year before suffering its harshest criticism in Argentina. The silence of Woityla has lasted almost a decade and he has remained without any demonstration against the killings, torture, disappearances committed by the generals.

It is notorious and widespread complicity of the Catholic hierarchy with the junta, leaving no word coming from the "Holy Father", distancing the Argentine Catholic Vatican.

In his subsequent visit to Argentina, he refused to receive the mothers of Plaza de Mayo, women whose family had also disappeared without a trace.

It published the book *The charisms and the new evangelization*, the organizer of the Synod of 1987, Paul-Josef Cordes, Bishop of Paderborn, Germany. He is a great lawyer, defender of the Vatican's new internal movements (Neocatechumenate, Communion and Liberation and Folcolares) whose mission is to restarurar Authority Totalitarian the Medieval Papacy. Cordes was appointed vice president of the Pontifical Council for the Laity by Pope John Paul II.

Above Corde is only the Argentine Cardinal Dom Pironio.

Above Pironio, the German cardinal and former Nazi soldier who is president of the Congregation for the Doctrine of the Faith (formerly called the Inquisition), who discreetly keeps Pope John Paul II under "tight rein", Joseph Ratzinger.

According to the book there are two missionary movements of the past that need to be recovered: the order of the Franciscans and the Jesuits. The goal of the book is to convince the undecided and "comfort" members. According to the definitions, these movements are the essence of justification for totalitarian Papacy. The Pope is the sole protector of them. For them it is necessary to defend the *communio*, ie Unity of the Catholic Church

centered on the Pope.

To all who yearn for this day that the Pope has absolute power over the regency world (religious, political, social), under the tutelage of Don Pironio Argentine, German Cardinal develops and is essentially the same as it was and realized Paul of Tarsus.

### **1. The Jesuits**

The history of the Jesuits is mustered in history as the direct action of a bloodthirsty gang, perpetrators of massacres of various species, formed by greedy liars, criminals and plunderers.

The Society of Jesus was founded by Spanish mystic Mason and Ignatius of Loyola in 1534. The "criminal record" Jesuit is both extensive as daunting.

They were involved with Queen Catherine the bloodthirsty. Acted in collusion with the Borgias and Medici family. Under the command of Pope Clement VII was the slogan that enemies should be "exterminated or thrown into prison."

The only purpose of which was the total annihilation of "heretics" and dissidents of totalitarian power of the Papacy. The successors of Clement VII, Pius IV and Paul IV, continued in a "march of blood" and, writing to King Carlos, noted: "The best holocaust to God is the blood of the enemies of the Catholic religion!"

And one of the most tragic pages of history had the signature and endorsement of the Jesuits. On August 24, 1572, Cardinal Lorraine with pontifical blessings of Gregory XIII, held NIGHT OF ST BARTHOLOMEW, enormous carnage and bloodbath engineered by the hosts of hell.

"And I saw the woman drunken with the blood of the saints, and with the blood of the martyrs of Jesus: and when I saw her, I wondered with great admiration."(KJV)Revelations 17.6

In Brazil the savagery under indigenous peoples is not only demeaning but also relegated to the fanciful and outlandish visions Romanists. In Brazil one of the most bloodthirsty followers Jesuit José de Anchieta who was coldly assassinated in 1567, the calvinist missionary Jean le Jacuques Balleur, choking him with his own hands. This fact was well documented by Dr Anibal Pereira dos Reis in his book: The Holy that Anchieta Killed.

### **2. Germans and Argentines. Nazis and Jesuits.**

The world suffers from some crucial reasons: to forget God, forget the promises of God; forget history conducted by GOD!

The carnage perpetrated by the Vatican and its minions has not yet reached its peak. The Lord Jesus Christ, being God, prophesied an "affliction that never was" (Matthew 13:19), suffering such that, without His intervention end humanity would destroy itself.

The Argentine military staff had teachers like the Nazi officers. Do not faded the dream of a united Europe under one supreme commander world. He was just transferred to South America

The Jesuits and the Franciscans, murderers, pedophiles and homosexuals, continue acting behind the scenes. Handling, scheduling, concealing, adjusting.

The Vatican does not rest, act! The goal is to dominate the world through a political leader with the endorsement of the Papacy. A Europe restored the Roman Empire from the Atlantic to the Urals.

Wish to "ride the beast" (Rev. 17.3), rule the world, rule the nations, exterminating dissenters. A joke from the end of the world probably has double meaning. Humility has costumes lamb, but speaks as a dragon (Apol. 13.11).

The plan goes well architected. The rage of power looms in front of our eyes while the world remains under sordid and morbid blindness. Willingly surrender to the fulfillment of divine prophecy.

Soon the "deadly wound will be healed" (Rev.13.12), literally meaning the Antichrist will imitate a resurrection to prove his rightful place in the Temple of God (II Thess. 2.4). But, in the figure, the cure points to restore as much of Romanism Totalitarian Dictatorship to the strength of anti-Semitic Nazifacista, whose only goal is to wipe Israel off the face of the Earth.

It is no wonder that the new pope is the FRANCISCO after BENEDICT. And the crowds that subject you even realize that the name is probably homage to Francisco Paulino Hermenegildo Franco y Bahamonde Teodulo, commonly known as Francisco Franco, who was a military head of state, the Spanish dictator, creator of postwar Fransquismo .

And looking to the honoree, can find amazing as his posture, his swagger and his mustache to resemble the Furher.

Indeed, since the time run off rumors that Hitler did not commit suicide but did one of his lookalikes. And how much of súcia Nazi, was comfortably accommodated on land Argentinas, surrounded by aged care and generated their offspring, ciceroneada Jesuits.

Whether it is true or not, rumor or not, the fact that a German Argentine succeed a chair in "purple and scarlet" (Rev. 17.4), should not be in any way strange, because the incident only confirms plans engendered by Vatican to rule the earth granting authority to a sovereign world dictator (Aoc 13.12-18).

### **3. Conclusion**

Urbi et Orbi, "From the city" (Vatican) "to the World" (Governed by them), still the raging fury of the deadly Roman Catholic Church. The devil laughs, the world bends.

And, meanwhile, the Saints are preparing soon be raptured!

"He that is unjust, let him be unjust still: and he which is filthy, let him be filthy still: and he that is righteous, let him be righteous still: and he that is holy, let him be holy still. And, behold, I come quickly; and my reward is with me, to give every man according as his work shall be." (KJV) - Revelations 22.11-12

Even so, come Lord Jesus! Amen
